

HOMES FOR NORTHUMBERLAND COMMUNITY FUND

Homes for Northumberland is able to offer small grants from its Community Fund to groups whose main beneficiaries are the tenants and residents of Homes for Northumberland.

The Community Fund is aimed at groups who often find it difficult to access funding.

Groups can apply for up to £500, for projects that will benefit their local community.

For Example;

- Purchase of Equipment
- Local Community Events or Activities
- Training Costs
- Development of Existing Projects

All applicants should have a constitution or a written set of rules, and have a comprehensive breakdown of all financial records relating to the group or organisation.

A Community Fund Application Pack is available which will provide all the information necessary for applicants.
